UniBinder 350

Personalized

- Book covers
- Diaries
- Photo books
- Notebooks
- Ring binders
- Displays, top cards, game boards...

Used for:

- In-store photo books
- Copyshops
- Digital printing

The UniBinder 350 is a user-friendly and cost-efficient personalization system created in response to the growing demand for personalized hard covers. The premade unique CaseCovers allow you to easily create a personalized cover. It is a completely dry concept not requiring any liquids, chemicals or glues. No set-up and change-over times make it possible to create a personalized hardcover in only a few minutes time. The UniCover 350 is the perfect case making solution for all your one-offs or short-run applications.

Benefits

- User-friendly: An easy and error free case making process, thanks to the premade CaseCovers
- Cost-efficient: the machine can be operated by a minimal trained operator
- No set-up and change-over times
- Only a few minutes needed to produce a personalized hard cover
- No waste with CaseCovers
- Completely dry concept: eliminates usage of liquids, chemicals or glues
- Time saving: limited time spent on cleaning and daily maintenance
- Maximum page size to be bound: 21x31cm (8,5"x12")

System Specifications

- Dimensions: 420 x 370 x 280 mm
- Weight: +/- 30 kg
- 110/220 V
- 800 W

Workflow:

- Take the 8.5 x 22 print and put on the CasePlano
- Put the frontside in the UniBinder 350
- Put the backside in the UniBinder 350
- Your cover is ready
