# UniCase System

#### Personalized

- Book covers
- Diaries
- Photo books
- Notebooks
- Ring binders
- Displays, top cards, game boards...

#### Used for:

- In-store photo books
- Copyshops
- Digital printing

The UniCase System is a user-friendly and cost-efficient personalization system created in response to the growing demand for personalized hard covers. The premade unique CasePlanos allow you to easily create a personalized cover. It is a completely dry concept not requiring any liquids, chemicals or glues. No set-up and change-over times make it possible to create a personalized hardcover in only a few minutes time. The UniCaser is the perfect case making solution for all your one-offs or short-run applications.

#### Benefits

- User-friendly: An easy and error free case making process, thanks to the premade CasePlanos
- Cost-efficient: the machine can be operated by a minimal trained operator
- No set-up and change-over times
- Only a few minutes needed to produce a personalized hard cover
- No waste with CasePlanos
- Completely dry concept: eliminates usage of liquids, chemicals or glues
- Time saving: limited time spent on cleaning and daily maintenance
- Maximum page size to be bound: 30x30cm (12"x12")
- Opening new market with interesting margins

#### Optional

- Cutting Table

### System Specifications

- Dimensions: 330 x 920 x 560 mm
